

7th Interdisciplinary Oral Medicine Conference

2022 – The Mouth-Body Connection[®]

New Concepts for Oral, Implant and Systemic Health

Invitation

October 21st – 22nd, 2022

Althoff Grandhotel Schloss Bensberg, Bergisch Gladbach (near Cologne)

Experts from the USA, Scandinavia, Europe & Their Concepts for the Start into the Decade of Personalized Oral Medicine
Interdisciplinary Conference for Physicians, Dentists, and Practice Teams with “Expert Dinner” at Bensberg Castle
Main Program (English with German Translation)

The Mouth-Body Connection[®] is a registered trademark owned by Pacific Dental Services, LLP. Used with permission.

12 Continuing Education Credits

(applied for; subject to decision); Valid for Participation in the Entire Program, i.e., Friday

Intensive Course
preventive-medical
prophylaxis
on Friday

Dear Colleagues & Practice Teams,

After a turbulent and challenging entry into the new decade, the topics of prevention, wellbeing, and sustainability have gained new importance in the field of oral medicine.

The 2022 congress and intensive courses will provide new scientific insights, show concepts for success in practice, and provide background information as well as new expertise for practice owners and their staff and dental hygiene teams.

Topic Overview:

- Implants for a Lifetime? Dreams or Reality?
Success Concepts for Lifelong Implant Health
- The Mouth-Body Connection® and the Importance of Interdisciplinary Competence
- 40 Forever? The Role of “Oral Inflammation” in Preventive Medicine
- Oral Fitness: What Roles Do Biomarker Analytics and Micronutrient Therapy Play?
- The Challenge of Practice Management: Overcoming Staff Shortages and Changing Legal and Economic Conditions
- Big Data, AI, and Digitization: News for Practice Management and Online Patient Acquisition
- Practice Valuation: Positioning, Value Development, and Exit Strategies
- USA: A Look into the Future of Dentistry - 2030
- Update & News: From Dental Hygiene to Preventive Therapy
- The Oral Fitness & Implant Fitness Coach

Simultaneous
translation
(German/English)
on Saturday.

incl. Table-Clinics/Live Demos

Experience experts from the USA, Scandinavia, and Europe who will present their concepts for a successful start into the decade of personalized oral medicine.

We look forward to your visit and to having collaborative exchange with you and your team.
